JUSTIFICATION:

On December 12, 2005 City Council indefinitely postponed the zoning text amendment Ordinances for §1425-03 Requirements for Off-Street Parking and Loading and §1425-19 Off-Street Parking and Loading Requirements. The Planning Commission previously recommended these amendments. The City Council directed staff to draft new text amendments that clearly state that the 2000 square foot exemption from the parking requirements is for the first 2000 square feet of all commercial uses as stated in the original motion passed by City Council on January 14, 2004. A Copy of the City Council motion is attached.
